208.7302 Policy.

DoD policy is for maximum participation in the Precious Metals Recovery Program. DoD components shall furnish recovered precious metals contained in the DSCP inventory to production contractors rather than use contractor-furnished precious metals whenever the contracting officer determines it to be in the Government's best interest.

208.7305 Contract clause.

(a) Use the clause at 252.208-7000, Intent to Furnish Precious Metals as Government-Furnished Material, in all solicitations and contracts except—

(1) When the contracting officer has determined that the required precious metals are not available from DSCP;

(2) When the contracting officer knows that the items being acquired do not require precious metals in their manufacture; or

(3) For acquisitions at or below the simplified acquisition threshold.

(b) To make the determination in paragraph (a)(1) of this section, the contracting officer shall consult with the end item inventory manager and comply with the procedures in Chapter 11, DoD 4160.21-M, Defense Materiel Disposition Manual.
